

It is your responsibility to take Endowment Collections at every meeting within the Moose Fraternity. This would mean at every Meeting when Lodge, Chapter, Moose Legion, Council of Higher Degree or any other Unit within our order gathers. Lodge and Chapter units MUST take collections to be sent in MONTHLY, they all should have 12 contributions during any given yr. When receiving a list showing this at times we wonder about Units hold proper meetings and collecting Endowment as the General Laws and Chapter Handbooks require doing so. We wonder about being fraternal members and how they think. Is it because we let this go on in some Units as to not doing their job or following the program of what we stand for?

At all Moose Legion Committee events held within each Lodge during each Month. Our General Laws ask also that this should be sent to their Moose Legion Secretary monthly within their area or District as required.

The Endowment is an on going program designed to take care of Mooseheart and Moosehaven. When some do not do as each is required this makes for many things to happen. Increase to funds some place or another, to take care of these two most worthy endeavors set for us as moose to take care of Mooseheart and Moosehaven. If at any time we do not do our fare share in any Unit we will cease to exceeds and become a Fraternity with no cause. I surely would not want this to happen or I would not believe you do either. PLEASE work the program and send your Endowment in properly MONTHLY and as much as possible. We do not except change anymore it should always be a dollar amount, which was in the Ritual at one time. **Thanks Dave Regional Manager**
